EXPERIENCE

AMERICAN CENTURY INVESTMENTS Kansas City, MO
Summer Investment Associate 2026
- Rotated across three teams over 12 weeks - U.S. Large Cap Growth ($14bn), U.S. Select ($6bn) and Ultra ($27bn), and Non-U.S. Intrinsic Value ($530mm) - adapting underwriting to each team's distinct framework
- Initiated coverage on 6 of 8 screened names across aerospace, energy, and industrials, writing full equity research reports with bull, base, and bear case models; updated models and theses through quarterly earnings
- Drove 2 buy decisions (BE and FIX) by pitching all 6 names to Portfolio Managers in hour-long presentations with live Q&A and countering pushback with follow-up diligence
- Built variant views through calls with management, IR, sell-side analysts, and third-party experts; leveraged AI tools to streamline research and model maintenance

ROME CAPITAL LTD. New York, NY
Fall Investment Analyst (In-Semester Internship) 2025
Hedge fund focused on special situations and small/mid-cap growth equities
- Covered 3 portfolio and pipeline names (EVLV, XTRAF, AIOT) across AI-enabled security screening and fleet telematics, updating financial models across upside, base, and downside cases to sharpen risk/reward
- Built a comparative view across EVLV and XTRAF, two direct competitors in AI weapons-detection screening, benchmarking win rates, pricing, and customer retention to frame the relative-value case
- Conducted dozens of primary research calls with customers, competitors, channel partners, and former employees to build variant views and map industry trends
- Drafted thesis points and investment write-ups covering key drivers, valuation, and risks to pressure-test Portfolio Manager views

BARCLAYS BANK PLC New York, NY
2019 - 2025

Corporate Banking Associate/Analyst, TMT Coverage (2021 - 2025)
- Underwrote TMT credits through financial, liquidity, and cash flow analysis to assess deal viability and borrower health, sourcing data via Capital IQ and Refinitiv
- Owned day-to-day coverage for multiple clients across both investment and sub-investment grade spectrum, leading in-person meetings and advising on treasury needs
- Rated "Outstanding" (top performance tier) in 2 of 3 years as Analyst

Graduate Operations Analyst (2019 - 2021)
- Rotated across Cards Strategy and KYC/Onboarding; led process redesign that reallocated 3 FTEs of work and consolidated U.S. and India teams into a single reporting hierarchy
